CUBA—Cuba Friends of Architecture (CFA) announced that the Thomas O'Grady print "All The King's Horses" was won by Don Beaver of Cuba. The print was donated to the organization by Mr. O'Grady, a well-known local artist, and the raffle helped raise money for the restoration of the Palmer Building on Main St. in historic downtown Cuba.

"We would like to thank Mr. O'Grady for the generous donation of his artwork," said Carol Donovan of the CFA. "Community support like this will help us breathe new life into a building that has such a wonderful history in Cuba."

CFA's next event is a cemetery

tour on Oct. 14. The tour will launch from Genesee Park on Genesee St. in Cuba where visitors will be given a short ride to the Cuba Cemetery. There will be a walking tour through the cemetery where several past residents will tell of their contributions to the development of Cuba. Among the characters visitors will meet are Calvin Chamberlain who built the Lafayette House (St. James) and George Eldridge, a veteran of the civil war. Following the tour, rides will then be provided to return to Genesee Park. Hot dogs and soda will be on sale at Genesee Park. No food will be allowed in the cemetery.
