Class of 23 to Be Graduated At Commencement Rites Held Next Tuesday Night

Baccalaureate Services Will Be Held in Christ Church Sunday Evening, Class Night on Monday and Graduation Ceremonies Tuesday Evening

Subject to the results of Regents examinations in progress this week in Cuba High School, there will be 23 members in the Class of 1935 to be graduated here next week.

Commencement week opens Sunday night with baccalaureate services in Christ Church, at which Rev. Roy L. Webber, priest-in-charge of the Allegany County Episcopal Mission, will preach the sermon.

The class night program, to be presented in Kellar Hall Monday evening, will take the form of a three-act play, "Pirate Gold," with each member of the graduating class taking part. The play will be followed by the presentation of prizes, usually a feature of the commencement night program.

Very Rev. Joseph Groves, D. D., rector of St. Stephens Church, Ocean, will give the commencement address at the graduation ceremonies Tuesday night, which the class will attend in caps and gowns. The exercises will be opened with a march by the Cuba High School Orchestra and the invocation by Rev. Robert M. Pursley, minister of the First Presbyterian Church. Miss Mary Adams will give the salutatory, following which Dr. Groves will speak on "The Art of Living." Miss Anna Van Dyke will deliver the valedictory and Prin. Frank H. Bentz will award diplomas to graduates. The program will close with the benediction by Rev. Clair E. Malcomson, minister of the First Baptist Church, and a second selection by the orchestra.

Grade commencement exercises will be held in the assembly hall of Cuba High School at 2 o'clock Monday afternoon, opening with selections by the school's state Class D championship band, under direction of Miss Loretta Whiteman, Mary Rhow will deliver the salutatory address, after which Howard Scutt of Grade I will give a recitation, "Fishing." Russell McCaa of Grade II will sing "The Polliwogs," and Bruce Henning of Grade III will recite "Vacation Dreams." Grade IV will sing "A Frog He Would A-wooing Go," followed by a selection, "The Builders," by the Fifth Grade. The Sixth Grade will furnish two numbers, a recitation, "Silver Ships," by Launcelot Plummer and a song, "Blue Danube," by a double octette. Beatrice Micros of Grade VII will play "Ciribiribin" as a piano solo and James Fenton, Grade VIII will play a trumpet solo.

Following this, Principal Bentz

will present promotion certificates and awards and Anita Schwab will give the valedictory.

Announcement of the award of the American Legion cup from a group of three students selected by the student body will be made during the evening. The eligibles are: Gerald Mabey, Charles Witter and Nina Miller.

Plans Complete For First Banquet Of Alumni Group

Plans for the first annual banquet of the newly formed Cuba High School Alumni Association are practically complete today, the last day for the acceptance of reservations for the affair, which will be held in the Hotel Kinney next Thursday evening.

Hayden M. Setchel, cashier of the First National Bank, will act as toastmaster for the program, which will be opened by a greeting from the Class of 1935 by Chester Marvin, followed by a response by a member of the Class of 1885, Charles A. Hamilton, superintendent of the New York State School for the Blind at Batavia.

Places are being left on the program to provide for talks by older members of the association, many of whom are expected to return to Cuba especially for the affair.

The banquet will be under direction of the following committees: General chairman, Mrs. Mac Mabey; program, Mr. Setchel, Mrs. Lawrence Dye and Mrs. W. H. Keller; invitations, Miss Evelyn Scott and Harold Ferrington; decorations, Miss Lucy French, Mrs. Bernice Utter, Mrs. E. P. Ayres, Richard Morgan, Robert Gill; program designing, Miss Gertha Prentice, Whitney Shoots, Miss Virginia Edwards, Miss Helen Edwards; dinner, Mrs. L. T. Utter and William Morris; tickets, Miss Nellie Roberts and Miss Ethel Hendryx; reception, Mrs. J. A. Childs, Mrs. Walter Guild and Lee A. Webster.

Class of 1935 Observes Commencement Week With Fine Program

Nine Boys, Fourteen Girls Graduated — Church Crowded for Baccalaureate Sermon — Play, "Pirates' Gold," Class Night — Dr. Groves, Speaker

A large class of promising young folk was graduated this week from Cuba High School, the series of exercises which marked Commencement being unusually well planned and carried out in excellent form. The Very Rev. Joseph Groves of St. Stephen's Church, Olean, Commencement orator, proved a delightful speaker, and the members of the class performed their parts faultlessly.

The class roll, members numbering nine boys and fourteen girls:

Mary Adams	William McCaffrey
Clifford Booth	Anthony Micros
Jeanette Clapp	Julia Midey
Thyrza Clark	Nina Miller
Basil Congdon	Carl Rhow
Hazel Green	Helen Rich
Adele Hendryx	Jay Schwab
Laura Herring	Betsy Seely
Isabel Karn	Helen Truesdell
Gerald Mabey	Anna Van Dyke
Chester Marvin	Wanda Willis
	Charles Witter

Baccalaureate Service

Christ Church, adorned with many flowers, was filled beyond its seating capacity at the Baccalaureate service Sunday evening when the class, in cap and gown, entered in procession with the vested choir and clergy. The Rev. Roy L. Webber was assisted in the service of Evensong by the Rev. Clair Malcomson of the Baptist Church, the Rev. Robert Pursley of the Presbyterian Church and the Rev. William Eckman of the Society of St. John the Evangelist, of Cambridge, Mass., and by the choirs of the Presbyterian and Baptist Churches. Robert Renwick, in the absence of Mrs. John Robertson, was organist.

Asserting that the public school gives no official recognition to religion and that it brings its pupils to church only at the end of a school career of 12 years of 200 days, Father Webber, preaching the baccalaureate sermon, took as his theme the need of connecting education with religion to give the former true value in life. His text was from St. John 17:3, This is life eternal, that they might know thee the only true God, and Jesus Christ whom thou hast sent. "Any education that doesn't lead to God leads up a blind alley," the speaker declared. The small piece of education received in the public schools must be connected with religion to give it effect.

Class Night in Novel Form

In the form of a play called "Pirates' Gold," the Class Night exercises Monday evening at Keller Hall, were in novel and lively form. The stage was decorated with evergreen on a blue background with flowers massed at the sides of the proscenium arch.

The curtain rose on the stage filled by the class members, the girls in gowns of dainty colors, singing

the class song, with Helen Rich, its author, at the piano. Then followed a scene which introduced the School-bell, Thyrza Clark and the Dumb-bell, Basil Congdon. A trip of adventure was planned by the Class President, Gerald Mabey, the Pilot, Clifford Booth and Guggenstein, Anthony Micros. The scene also introduced an interesting history of the Class of 1935, read by Wanda Willson.

The second act, on the Pirates' Island, was colorful and sprightly. From an old treasure chest Julia Midey distributed gifts, amusingly appropriate. Betsy Seely gave the Key Oration, to which Nina Butts responded for the Junior Class. In the third scene Carl Rhow played the part of Rukah, the scientist, in his laboratory, on the planet Mars, and with the aid of a cabinet through which his visitors disappeared and returned he made merry prophecies aimed at their foibles. Chester Marvin then read the will in which he bequeathed characteristics of his classmates to those whom they seemed likely to benefit.

The exercises concluded with the announcement of the Legion award and the scholarship prizes, printed elsewhere in this issue.

Commencement Pleasing

The Commencement exercises, like those on the previous evenings were interesting and pleasingly brief. They opened with the academic procession, the juniors making an aisle for the seniors, who appeared in their caps and gowns of dark blue with white collars. The High School Orchestra of 18 pieces, directed by Miss Yolanda Questa, played for the march.

Following the invocation by Mr. Pursley, Mary Adams delivered the salutatory, which with the valedictory appears on another page.

"This Business of Living" was the subject of the speaker of the evening, Dr. Groves, who was introduced by Principal Frank H. Bentz, as one known for his interest in young people and his service to them. He said in part:

This Business of Living

From the very beginning to the very end we are constantly confronted with the complexities of living. Each stage in our progress presents new and more complicated problems, but the heartening fact is, that for every problem there is a solution, that for every stone wall there is a way through. In the last analysis it is a matter of personal adjustment.

In order to make our adjustments more effective as we meet life's difficulties, it is necessary that we give heed to the ancient injunction of Socrates that we know ourselves, and that we also know the world in

Harmony Minstrels Rollicking Fun; Financial Success

Harmony Minstrels presented last night was a financial as well as a stage success. Richard Wilkinson and Bill McLaughlin were hilarious hits in their positions as premier endmen. James Shanley and Greoge Psychos had the house rolling with laughter, while William Landrich and Clayton Childs were as funny as any two endmen could be. Robert Totten was a mixture of dignity and humor in his position as interlocutor.

Solos by Harold Enos, Richard Dorney, Sam McLaughlin, Jerry Chamberlain, Wayne Rasmussen and Don Cheney added life and interest to the show, each being very individual and well done. Dances which added color were done by Mildred Jordan, Jane Hitchcock, Betty Harris, Marion Scutt and Betty Childs. Bill Childs and Joe La Barber, who carried the sign for St. Louis Blues, won applause.

The chorus made a superb background for the colorful production, which was under the direction of Charles Recktenwald and Loretta Whiteman, who were assisted by the following committees: Costumes, Miss Alice Erickson; stage, Gene Korka, Phil Shoots, John Conklin; Richard Howard, Dorothy Rich acted as accompanist.

The chorus is indebted to the following: Wilson's Store, O'Malley's Dept. Store, Palace Theatre, Olean; Raymond Hartley, Phelps & Sibley Co., and numerous individuals who loaned costumes and co-operated with the production, which was for the benefit of Curtis Searle, a football player of C. H. S., who was injured in a game.

Cuba-Friendship Game on Friday To Be Thriller

By Wilbur Hubbell

With a great deal at stake, the clash Friday night at Keller Hall between the Scarlet and Gray Basketball Team of Cuba High School of Cuba and the Blue and Gold of Friendship should prove to be the most exciting game of the season. Whenever Friendship and Cuba get together anything can happen, especially after the thrilling finish of last season, when the Greyhounds took the championship from a highly touted Friendship team.

This year's Friendship squad is nearly as strong as last year's, Whitwood being the only member lost. Although Cuba misses four members of last year's championship team, she has four regulars back and can draft several youngsters who show promise.

The record of the Cuba team is more impressive than that of the Friendship squad, but this can be attributed to the fact that the locals have not had as much competition as their neighbors. While the Greyhounds have been bowling over weak teams, their rivals have played Portville, Allegany, and have defeated Bolivar in their first league match.

Since each team has won one game in league competition, the outcome of Friday's game will help to indicate this year's winner. Should Friendship win, she would practically have clinched the first half crown. On the other hand, by defeating Friendship, Cuba would also have a win on paper over the only other serious rival, Bolivar.

Preceding the varsity game, will be the second-team contest at 7 o'clock—the battle between the two Jay Vees has always been hotly contested. Following the varsity game, which is scheduled for 8 o'clock, will be an added attraction, the spectacular Cuba Town Team engaging the Allentown Pros.

C. H. S. Spirit.

The Basketball team is wondering where all of the C. H. S. students are with their yells and songs, and why they don't show up at the games. There has been a fair turn-out of the students this year, better than last, but not one-half of the student body is at the games. Now, the various teams are representing YOUR school, and they deserve YOUR support. The basketball team, especially needs your support, because there is so much expense connected with each game. The members of the team work hard and conscientiously for the betterment of C. H. S. Now then, everyone turn out tonight and let's hear a little noise at your basketball game.

C. H. S. Defeats Friendship, 24-23, 8th Straight Win

By Wilbur Hubbell

Before a capacity crowd Friday night the champion Greyhounds edged out the neighboring Friendship team by the narrow margin of one point, the eighth straight victory for the Cuba High School Basketball Team. A last quarter rally by the Friendship quint made the contest anybody's game until the final whistle, when Cuba led 24-23.

Jumping to an early lead the Scarlet and Gray team was ahead 5-1 at the first quarter, stretching this to 12-7 at half time. Although the locals maintained their lead, 20-13, at the end of the third quarter, the Crozier men threw a scare into the local ranks by outscoring the Greyhounds 10-4 in a last quarter rally.

Tuttle, the Friendship player who startled Cuba by finding the basket in the final seconds of the game, was high scorer with 11 points. Honors for the winners were shared by Cole and Chamberlain, who each made six points. Outstanding was the ball-handling of the Cuba team, Howard and Burt, proving themselves lightning-quick passers and ready players.

In the preliminary the Cuba Jay Vees defeated the Friendship second team 21-10, the locals leading 10-5 at half time. High scorer for the winners was La Barber with six points, followed closely by Korka and Setchel, each making five points.

Greyhounds Sweep Arcade Series

Last week the Greyhounds annexed their 14th and 15th victories of the season, defeating Arcade 35-26 Thursday at Keller Hall and Saturday at Arcade by a score of 35-19.

In the game on Thursday, Cuba took advantage of the breaks to jump to an 8-3 lead in the first quarter and was still leading, 13-7 at half time. Although Arcade made a desperate attempt in the last quarter, scoring 14 points to Cuba's 9, the Greyhounds' 27-12 lead at the end of the third quarter was too much.

Although scoring honors went to Tanner of Arcade, with 13 points, three Cuba players had ten or more points. Taylor led the locals with 11, while Dorney and Rasmusson scored ten each.

Cuba was behind 8-9 at half-time in the game at Arcade, but the team proved their ability as set shooters by scoring 25 points to their opponent's 10. Howard was high scorer with 11 points, while Rasmusson scored ten.

Expect 2,000 Competitors At Music Festival in Cuba Three Days Next Week

**Additional Halls Will Be Pressed into Service Because
of Heavy Enrollment—Massed Band Appearance
Cancelled—Dr. Frank Simon Will Be Adjudicator**

The Baptist Church, the Cuba Theatre, Firemen's and Legion Halls and offices in the Keller Block will be pressed into service for the Southwestern New York State Competitive Festival scheduled here for Wednesday, Thursday and Friday of next week, and it has been necessary to secure the services of an additional adjudicator to serve, owing to the heavy enrollment. Miss Loretta Whiteman, music instructor at Cuba High School and chairman of the festival, said this morning she expects at least 2,000 competitors in the events.

Because every minute of time for the three days is already scheduled, Miss Whiteman has cancelled the appearance in Genesee Parkway of a massed band, to have been directed by Dr. Frank Simon, nationally famous director of the Armco Band and president of the American Bandmaster's Association.

One of the highlights of the festival, from the standpoint of the layman, will be a concert to be presented in Keller Hall at 8 o'clock Friday night by 150 voices picked from 10 high schools and directed by William Breach, the adjudicator of the day.

Wednesday will be Orchestra Day, with Harry King, director of instrumental music at Fredonia Normal School, acting as adjudicator. Scheduled at 10:30 a. m., in Keller Hall is the Allentown organization, with Richburg and Avoca following at 11 and 11:30. These are Class C entries. Hornell competes in Class A at 1 o'clock at the same place and the Olean High School Orchestra will play, but not in competition.

Soloists and ensembles will fill the time from 2:30 to 3:30 p. m., when the Richburg String Quartet plays.

On Thursday, Band Day, Dr. Simon will make his first appearance of the season in Western New York as adjudicator. It is expected that 600 musicians will take part in events of the day.

Allentown, Portville, Livonia, Machias, Painted Post, Belfast, Cuba and Bolivar, all in Class C, will play in Keller Hall at half-hour intervals from 9:30 a. m. to 2 o'clock, when Class B competition starts for Addison, Salamanca and Springville.

Olean, a Class A organization, will play but will not compete. Belfast, in Class C, also will not compete.

Lee Smail of Ithaca, Ithaca College professor and adjudicator in state contests for several years, will be adjudicator of instrumentalists Thursday afternoon, to be heard in the Cuba Theatre. Eight entries for French horn will take the time from 1:24 to 2:30, when a clarinet quartet, saxophone quartet and woodwind quartet from Hornell will be judged. Clarinets will take from 3:08 to 4:12, when oboes, bassoons, flutes, saxophone entries will be judged. Entries in these classes come from Cuba, Prattsburg, Painted Post, Springville, Hornell, Olean, Richburg, Machias and Bolivar.

Additional soloists and ensembles will be judged in the Baptist Church by Dr. Simon, starting at 4:45 and running through to 9:04, with half-hour dinner interval.

Friday will be Vocal Day, with probably the largest registration of any of the three days of the festival. William Breach, supervisor of music in Buffalo, will act as adjudicator.

Hinsdale will open the competition at 10:30 o'clock, to be followed by Portville Junior, Professor Hale's, Richburg Boys', Holland, Bolivar Mixed, and Portville Mixed. Cuba's Mixed Chorus opens the afternoon program at 1:20 and will be followed by Richburg Mixed, Little Valley Mixed, Belfast Mixed, Machias Mixed, Painted Post Girls, Richburg Girls, Machias Girls, Olean Mixed Choruses and the Girls Ensemble from Olean.

Soloists will be judged, starting at 9 a. m., and continuing to 10:03. Entries are in the female, male and ensemble classes.

Dr. Wilfred Bain of Houghton College will judge piano entries, starting at 10 o'clock.

In addition to Miss Whiteman as chairman, other officials of the festival are: Alfred L. Colburn, Cuba, registrar; Philip Austin, Richburg, and Josef Rice, Olean, orchestra; Philip Skeps, Portville, and Alfred Castle, Machias, band; Marjorie Amsden, Bolivar, and Richard Hale, Caneadea, choir. Charlotte Roberts, Gladys Robertson, Olean, and Beatrice Gram, Hinsdale, general.

Philip Austin of Richburg High School, brought down the house with his playing of the violin solo, "Fifth Variation" by Danella, and took a curtain call. Cuba Will Entertain 450 Delegates Next Week; 10,000 in Parade Friday

Business Sessions on Wednesday, Thursday, to Be Held in Keller Hall—Banquet Wednesday Night—Fish Fry, Grotesque Parade on Thursday

Plans for the entertainment of 450 delegates to the 30th annual convention of the Southwestern Association of Volunteer Firemen of the State of New York, to be held next week Wednesday, Thursday and Friday, were completed at a meeting of the convention committee here last night.

Acceptances of invitations from the association and the Cuba Fire Department, 1938 hosts to the convention, have been pouring in for the past 10 days from the 165 units making up the membership. Only two have indicated that they will not be represented in the big parade, Friday's highlight of the convention. On basis of returns up to last night approximately 95 units have signified intent to come to Cuba next week. These units will have 3,250 members in line. In addition, these units will bring 17 bands, 20 drum corps and 25 ladies' auxiliary organizations.

All meetings of the two-day business session will be held in Keller Hall, Wednesday morning's being open to the public.

Headquarters will be at Matylas & Brown Garage, phone 300.

The first day session will be opened at 10 a. m., by the National Championship Cuba High School Band, under direction of Miss Loretta Whiteman, playing "America." George M. Bartholomew will act as song leader.

Rev. Timothy J. Ring, pastor of Our Lady of Angels Church of Cuba, will give the invocation, following which Mrs. Helen M. Keller will sing a soprano solo, "The Star Spangled Banner." Mayor Dayton F. Hendryx and Frank Royce, chief of the Cuba Fire Department, will welcome the delegates to Cuba, and William A. Danahy, jr., president of the association, will respond.

Eugene M. Braun, president of the New York State Firemen's Association; Albert J. Foley of Dunkirk, president of the Fire Chiefs Association of the State of New York; William R. Castimore, fire commissioner of the City of Buffalo; presidents of the four county associations, past presidents of the Southwestern and guests will be introduced.

Memorial exercises will follow. The male quartet of the First Presbyterian Church, consisting of Glenn O. Loveridge, Sidney A. Hixson, Elton Herrington and R. Burdette Frazer, will sing "One Sweetly Solemn Thought," after which Past President George B. Abbott will present "In Memoriam" resolutions. Rev. Roy L. Webber, of the Allegany County Episcopal Mission, will offer a prayer, and the quartet will sing "Lead Kindly Light." The sounding of "Taps" will follow the memorial resolutions adopted by a silent and standing tribute.

Returning to the business session, Secretary Chris D. Becker of Lancaster will call the official roll, and will read applications for membership. President Danahy, Secretary Becker, and Treasurer Edwin C. Green of Allegany, will present their annual reports, to be followed by committee reports, the reading of bills and resolutions.

business disposed of, approval of minutes and adjournment taken.

At 2 p. m., delegates will be guests at a fish fry at Bog's Palais Royal at Cuba Lake. Raymond Hartley is in charge of the sports program which will follow.

A total of \$50 in prizes will be awarded at a colorful Grotesque Parade, scheduled for 7 o'clock Thursday evening.

The committee is making plans to stage an event, "larger, funnier and better" than that of a year ago at Dunkirk.

First and second prizes will be offered in most classes. These will include \$10 for the funniest musical organization (band or drum corps) and a second prize of \$5. Three dollars and \$2 are offered for the funniest individual make-up, \$5 for the funniest float and \$5 to each men's and women's organization having the most participants in line.

The grotesque parade will form thus: Marching organizations will assemble on South Street between Mill and the Erie tracks. Floats and motorized entries will form on Grove Street and Stevens Avenue.

The line of march begins on Mill Street, thence by Orchard Street to West Main; then east to the Four Corners; north on Genesee Street to Medbury Avenue; east to Maple Street; to East Main, thence west to the Four Corners; thence to Stone Street, disbanding at the carnival grounds. There the winning organizations and participants will be announced and prizes awarded.

Local business houses and industries, as well as other local organizations are invited to participate in this event and compete for prizes. Entries should be placed with George H. Enos, committee chairman for the event.

Ten thousand firemen, several thousand auxiliary members and 50 bands and drum corps are expected to take part in the grand parade, the highlight of the convention. It is expected that the parade will require two hours to pass the judges' stand on East Main Street, without fire equipment, which, because of the size of recent association parades, is now barred from participation. The cost includes \$35 for the

**Last Commencement of Village School—Largest Class
Graduated, 14 Boys, 21 Girls—Class Night Sat-
urday—Motor Accident Victim Gets Diploma**

That youth is entering upon a career in one of the most troubled times was the thought running through commencement exercises this week in Cuba, when the young folk were bidden to accept the bur-

den of the day and assured that courage rises with difficulty.

A class of 35, largest in the history of Cuba High School, is the last to be graduated from it, since the village school is now to be succeeded by a centralized district. There were 21 girls and 14 boys in the procession which, in caps and gowns of black, entered Keller Hall Monday evening between lines of Juniors, carrying ropes of evergreen, while the Cuba High School Band, winner of national laurels, played a march. Delphinium and peonies decorated the stage, its walls covered to form a light background and its proscenium arch, under which graduates for 50 years have grouped, wreathed in evergreen. The hall was the scene of commencement exercises this year for the last time.

After the invocation by the Rev. Fay H. Chapman, Cecile Conklin delivered the salutatory, "Our Wishing Well." The Rev. Clarence B. Gilbert a former student under Dr. Oren H. Baker of Colgate-Rochester Divinity School, introduced Dr. Baker, who spoke on the subject, "The World's Challenge to American Youth."

Dr. Baker contrasted the period when he was graduated 25 years ago, when "nobody was anxious about the future," to this time of confusion when more than ever there is need to remake the world. Youth must keep two things in mind, the need of genuine creative thinking in an era when the bloated ambitions of Hitler and Mussolini, like a witches' dance, have brewed a hell-broth; and the need of devotion and loyalty to the cause of democracy.

Bessie Brown delivered the valedictory, the subject of which was "America's Most Cherished Gift."

James Willson was then presented with the Legion award in a brief speech by George H. Enos.

Before awarding the diplomas, Principal Alfred L. Colburn thank-
